

Supplies for Erupting Pumpkins Experiment

- Dish soap
- Baking soda
- White vinegar
- Food coloring (you can use whatever color you like, but orange, green, and purple are recommended)
- Mini pumpkins
- Sharp knife (parent's supervision, please!)
- Measuring and stirring spoons
- Large plastic lid, container, or tray (to put your erupting pumpkin on)
- An adult's help (for cutting the top of the pumpkin)

PUMPKIN VOLCANOS

Supplies for Fizzing Pumpkins Experiment

- 2 cups baking soda
- Food coloring
- 2/3 cup water
- Halloween trinkets or toys like spiders or body parts (you can put these inside of the pumpkins as a fun surprise!)
- Green pipe cleaners
- Vinegar
- Dish soap
